### Company Profile

We, Ravi Industries, stand as the premier company in providing a comprehensive range of S. S. Railing Baluster and Fitting & Hardware products with the brand name of ORAL. We, at Ravi Industries, wish to leave no stone unturned to satisfy our customers in India and Overseas. Be it Door Fittings, Glass Fittings, Furniture Fittings, Bathroom Fittings and Fitting Accessories, we want to be present in every sphere of your life, enhancing the way you live.

To create an infrastructure organization of the magnitude as ours, it takes a highly progressive and professional management team. We are proud to display our pool of talent that includes experts from diverse fields such as engineering, architecture, design, and management disciplines.

At Ravi Industries, the most cherished thing is its customer's trust, which we have earned with our commitment to quality and innovation. Through the years, "Perfection" has been the only goal we pursue. In order to satisfy customers, with continuous efforts, we are working towards perfection through a Quality Assurance System, which has given us the ISO:9001:2000 certificate. With persistence and effort, we have become one of the leading enterprises of hardware fittings in India and overseas.

### Our Quality Policy

Ravi Industries has been transforming mundane homes into glamorous with their designer fittings across the country, for years. And now the company known for innovations, has taken a step further by providing complete Architectural Railing solutions.

The novel concept is the result of the company's understanding that each requirement is unique and a reflection of the individual's personality. The centre thus provides customized solutions and ideas for every need and every budget.

Our Architectural Hardware Railings can be best described as the last stop for one's complete requirements. After all, at Ravi Industries, we have a continuous desire for improvement and a constant concern for providing more to our customers. We work with one sole objective: that you should continue trusting us for better lifestyle solutions!

### Export

We build our own brand ORAL. The range includes Door Fittings, Glass Fittings, Furniture Fittings, Bathroom Fittings and Fitting Accessories. After successfully catering in local market we explore ourselves into international market & started to export in major part of the world with offices in USA & AUSTRILIA & we have been successfully catering to the Builders/Contractors, Designers, architects, etc.

We are guided by our parent company Kailash Engineers, who holds a rich industry, experience in the respective domain. We dedication ourselves towards the work, & we have progressed immensely and reached to a soaring heights of success
